Orchid

Two Days Image Advice £500 (up to 12 hours in total)

Personal Colour Advice

- Learn your best colour choices for Wedding Day clothes, accessories and makeup (this works for all your other garments as well)
- We build up a swatch wallet with samples of your best pastels, wardrobe shades, neutrals and gold or silver for you to keep.

Style Advice

- Discuss your best shapes, styles, detail and proportion for Wedding Day and Honeymoon clothes and accessories
- A style workbook full of information is included for you to use for reference.

Wardrobe Advice

- We show you how to build up a small, well chosen range of garments to compliment and co-ordinate together. This might be for the wedding party or for your honeymoon clothes. Printed information sheets are provided to slot into your workbook.

Personal Shopping

- We hit the shops to advise and help you decide which Wedding Wardrobe clothes you would like and to put your ideas into place. With an experienced, impartial eye we can save you money and anguish over which styles and colours make you look stunning.
- You have two half day sessions to do this on different days.

We provide these services for other members of your Wedding Party,

- Bride and Groom
- Mothers of the Bride and Groom
- Matrons of Honour
- Bridesmaids and Attendants
